APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights. A substantial headgate and weir must be installed and maintained to facilitate the measurement of water. The state reserves the right to regulate the use of water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 5.32 cubic feet per second.

Actual construction work shall begin on or before November 8, 1927

Proof of commencement of work shall be filed before December 8, 1927

Work must be prosecuted with reasonable diligence and be completed on or before November 8, 1928

Proof of completion of work shall be filed before December 8, 1928

Application of water to beneficial use shall be made on or before

November 8, 1931. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 8, 1931

Proof of labor filed Dec. 4, 1927. WITNESS MY HAND AND SEAL this 8th day

of March, 1927

Proof of completion of work filed May 22, 1929.

Proof of beneficial use filed Dec. 8, 1931.

Cultural Map Filed June 29, 1932
